Graveur-Handwerk (*Bachelor Professional im Graveur-Handwerk*)**

2. TRANSLATED TITEL OF THE CERTIFICATE (EN)

**Certificate for the master craftsman's examination in the
Engraving trade (*Bachelor Professional in the engraving trade*)**

This translation has no legal status.

3. PROFILE OF SKILLS AND COMPETENCES

Master craftsmen/mistresses in engraving trade have the professional, methodological, social and personal skills to manage and organise a engraving company. In consideration of the customer requirements you can:

- develop a range of services and offer services, in particular:
 - take into account design, technical, organisational, economic and legal aspects,
 - take into account the importance of stylistics, heraldry and art history as well as historical and contemporary formal language,
 - designing and editing reprographic templates,
 - draw up technical work plans and process sequences, in particular using computer-aided systems,
 - create sketches, drafts, models as well as moulds and forging dies,
- provide services, in particular:
 - engraving products with traditional as well as new engraving techniques,
 - master typefaces, calligraphy and freehand drawings, including computer-aided ones,
 - apply heat treatment and hardness testing methods,
 - master manual, machine and programme-controlled machining and processing methods as well as joining and forming techniques,
 - manufacture tools, in particular embossing, injection and stamping tools,
 - process and finish surfaces using flat and relief engraving techniques,
- checking, documenting, handing over and invoicing services, in particular:
 - perform and evaluate defect, deficiency and damage searches,
 - eliminate errors, defects and damage,
 - perform order-related post-calculation.

In doing so, you make commercial, human resources and legally justified decisions, implement them and justify them. This includes in particular:

- plan, control and monitor work and business processes in a responsible position from an entrepreneurial perspective as well as ensure quality and sustainability,
- lead employees, enable further training and implement personnel development measures,
- qualify trainees in their craft in consideration of pedagogical and legal-organisational requirements.

4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THE CERTIFICATE

Master craftsmen/mistresses in the engraving trade independently manage companies or take on management tasks in companies and business premises of the engraving trade. In craft or industrial companies, they take on in addition to providing services one or more of the following activities:

- commercial and business management,
- technical management,
- organisation of vocational training and human resources development.

(*) Explanatory notes

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.
