3. PROFILE OF SKILLS AND COMPETENCES

Master craftsmen/mistresses in motor vehicle technician trade have the professional, methodological, social and personal skills to manage and organise a motor vehicle technician company. In consideration of the customer requirements you can:

- develop a range of services and offer services, in particular:
 - take into account technical, organisational, economic and legal aspects,
 - observe manufacturer and product information,
 - inspect, prepare, evaluate and apply vehicle-related documents, in particular plans, drawings and protocols,
- provide services, in particular:
 - repair vehicles, vehicle assemblies, vehicle and body components and linked vehicle systems using standardised characteristics,
 - check, maintain, retrofit and network mechanical, pneumatic, hydraulic, electrical, electronic and mechatronic systems, in particular drive, braking, control, chassis, safety, comfort, assistance and auxiliary systems,
 - evaluate and repair bodywork, structural and paint damage,
 - determine and update software statuses and code and calibrate vehicle components,
- checking, documenting, handing over and invoicing services, in particular:
 - perform quality controls, document and evaluate results,
 - eliminate errors, defects and damage,
 - perform order-related post-calculation,
 - evaluate order processing and explain protocols.

In doing so, you make commercial, human resources and legally justified decisions, implement them and justify them. This includes in particular:

- plan, control and monitor work and business processes in a responsible position from an entrepreneurial perspective as well as ensure quality and sustainability,
- lead employees, enable further training and implement personnel development measures,
- qualify trainees in their craft in consideration of pedagogical and legal-organisational requirements.

4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THE CERTIFICATE

Master craftsmen/mistresses in motor vehicle technician trade independently manage companies or take on management tasks in companies and business premises of the motor vehicle technician trade as operations managers. In craft or industrial companies, they take on in addition to providing services one or more of the following activities:

- commercial and business management,
- technical management,
- organisation of vocational training and human resources development.

(*) Explanatory notes
